

SHARK STUDY

AT DEMETRE PARK

Join us at Demetre Park on James Island as we learn about one of the most intriguing animals that inhabit our oceans. Sharks are considered one of the most ferocious hunters found in the world. Participants will discover how sharks hunt, become a shark and shark food in a game of “Sharks and Minnows”, and learn other interesting facts. All kids who attend will then have the opportunity to search for shark’s teeth on the beach area!
